

# 2016 Year in Review

## Our vision

One day, we will eradicate the inequities that prevent women from being whole, healed and well

## Our Approach

Affordable, compassionate healthcare

Promoting healthy behaviors

Support during and beyond pregnancy

Economic opportunities for women

## Our impact

Our low cost and no cost healthcare, health education, prenatal case management, economic empowerment, and youth development programs reached over **3,000** individuals and resulted in:

**67%** of case managed hypertensive patients reducing blood pressure

**74%** of pregnant participants initiating breastfeeding

**89%** of women completing micro-business training to increase economic self-sufficiency

**90%** of youth being more confident in reducing risky behaviors

**399** uninsured women receiving mammograms and diagnostic services

**587** pregnant women and babies supported

**1,874** uninsured patient visits
